Department of Health Services Children's Medical Services Network (CMS Net) - Information Bulletin # 215

June 2007 Change Cycle

The following is a list of changes which were added to the CMS Net System for the June 2007 Change Cycle:

CMS Net Web

New Service Authorization Request (SAR) Message: Removed the National Provider Identifier (NPI) message and added: "You're invited to Medi-Cal Now, a conference designed for you. Medi-Cal Now is your one-stop shop for all of your Medi-Cal/CCS information needs. Visit the Medi-Cal Now website for detailed information www.medi-cal.ca.gov/go/mcnow. Thank you for your continued participation in the California Children's Services Program."

Cancelled SAR: Moved the watermark on the SAR to appear across the bottom of the SAR.

Cancelled SAR: Corrected the issue where the provider 'Address 2' field was not being displayed correctly on the Legacy print outs for SAR Cancellation letters.

Dental SCG with 9N Aid Code: Modified the system to prevent users from issuing Dental SCG SARs to clients with an aid code of 9N.

CMS Net Legacy

Service Begin and End dates on Notice of Action(NOA)/Denial Letters: Corrected the NOAs and denial letters to ensure the Service Begin and End date only show up on SAR NOAs and denials. Corrected the NOAs and denial letters to ensure they are exactly the same whether printed out from the SAR system or legacy.

Patient Therapy Record (PTR) printout replaced SSN/SSA with Client Index Number (CIN): Removed SSN/SSA field from the PTR printout and added the CIN. Also removed the "SSN:" as a condition in filling out the PTR.

Blank PTR form: Therapist will now display on blank PTRs.

PTR Batch Transmission: Added an asterisk delimiter to PTR batch transmission flat file to add the exception code indicator.

Deactivated Carriers in Carrier Master File (CMF): The insurance screen will now prevent users from editing deactivated carriers.

Punctuation Error: Corrected the apostrophe in the NARRATIVE TEXT box in E47 which causes a single quote to become two quotes.

GHPP

Added Authorization Cover Letters: Modified the GHPP Net system to generate cover letters for Initial and Annual Review Applications.

Added Enrollment Fee Calculation: Entered the calculated enrollment fees for 2006.

Program Error: Removed the program error which prevented the financial report from being run.
